

Responding to Sexual Abuse of Youth in Custody: Addressing the Needs of Boys, Girls, and Gender Nonconforming Youth Notification of Curriculum Use
April 2014

The enclosed Responding to Sexual Abuse of Youth in Custody: Addressing the Needs of Boys, Girls, and Gender Nonconforming Youth curriculum was developed by the Project on Addressing Prison Rape at American University, Washington College of Law as part of contract deliverables for the National PREA Resource Center (PRC), a cooperative agreement between the National Council on Crime and Delinquency (NCCD) and the Bureau of Justice Assistance (BJA). The Prison Rape Elimination Act (PREA) standards served as the basis for the curriculum's content and development with the goal of the Responding to Sexual Abuse of Youth in Custody: Addressing the Needs of Boys, Girls, and Gender Nonconforming Youth curriculum being to satisfy specific PREA standard requirements.

It is recommended that the Responding to Sexual Abuse of Youth in Custody: Addressing the Needs of Boys, Girls, and Gender Nonconforming Youth curriculum be reviewed in its entirety before choosing which modules to use. Any alterations to the original materials require either acknowledgement during their presentation or removal of the PRC and Project on Addressing Prison Rape logos.

BJA is currently undergoing a comprehensive review of the enclosed curriculum for official approval, at which point the BJA logo may be added.

Note: Use of the enclosed curriculum, either in part or whole, does not guarantee that an auditor will find a facility "meets standards." Rather, an auditor will take into consideration the curriculum used as part of their overall determination of compliance.
