

## Module 5, Appendix B: Round Robin Role Plays

- 1) You have to check on my bunk mate. I overheard that some wanna be gang members are going to turn him out tonight on midnight shift.
- 2) I can't stay on this unit. Officer Alberts is always telling me to flash him.
- 3) I'm not going back in that cell. I'll go to ad seg first.
- 4) I'm not saying who, but yesterday at shift change, this staff grabbed all up in my stuff during the search. I have bruises to prove it if you don't believe me.
- 5) Who would someone tell if someone raped them?
- 6) Yeah, I gave Officer Mackenzie a blow job. He said he'd give me a cell phone.
- 7) They found out I'm a lesbian and now they take turns with me in the showers. I'm going to lose it.
- 8) Forty-five staff came into my cell and raped me last night. You have to check the satellite records and tell the President.
- 9) I think I need to talk to someone about what's going on in my unit. I think I need to see the nurse.
- 10) There's this staff member who goes around on weekend mornings and peers into all the showers, for like minutes. No one ever says anything because he said you won't believe us.
- 11) Charles makes me do stuff to him. I thought I could handle it, but I can't take it anymore.
- 12) Officer Flynn said she'd mess with my visits if I didn't go down on her.
- 13) This PREA stuff is a load of crap. No one did anything when it happened to me.
- 14) He said he'd protect me if I had sex with him. I mean you gotta have a man if you're trans up in here. Now he said he sold me to some other inmate. I didn't want that. I didn't want any of it.
- 15) They didn't have PREA at the lockup. One of the officers made me have sex with him.
