**PREA COMPLIANCE AUDIT INSTRUMENT – INTERVIEW GUIDE FOR A RANDOM
SAMPLE OF STAFF**

Prisons and Jails

August 11, 2014

GUIDELINES FOR AUDITORS: RANDOM STAFF INTERVIEWS

Selecting staff for interview:

During the onsite visit, auditors shall interview a minimum of 10 correctional officers who have contact with adult inmates. In very large facilities, the auditor will need to interview significantly more than 10 correctional officers who have contact with adult inmates. For example, in a facility with over 5,000 inmates, the auditor will need to interview more than 10, and possibly 20 or more correctional officers, as required and time permitting. On the first day of the site visit, the auditor shall request a list of staff sorted by assignment (e.g., supervision in housing units) and by shift. The auditor shall select at random, line staff from different assignments or work locations and request that these persons be brought for an interview on a subsequent day to be determined. The goal is to conduct interviews with representative staff working in housing blocks, segregation units, mental health units, and camps where they exist.

Interviews shall be conducted in a setting where staff will feel free to talk without being overheard by other staff.

As stated above, at large facilities or those with many different housing units, the auditor may choose to interview more than ten correctional officers to develop a more comprehensive assessment. The decision regarding the total number of correctional officers to be interviewed should take into consideration the time available for interviews of both inmates and staff during the visit.

Informing staff of the audit's purpose and the reason for their requested participation:

Prior to interviewing each staff person, the auditor should communicate the following to him or her:

“Thank you for meeting with me. My name is [NAME]. I have been hired by the [NAME OF CORRECTION AGENCY] to conduct an assessment this facility's compliance with standards that have been established by the federal government to prevent sexual abuse and sexual harassment. Although the [NAME OF CORRECTION AGENCY] hired me, I am an independent auditor and not under the authority of the [NAME OF CORRECTION AGENCY]. I have been certified by the U.S. Department of Justice to conduct this assessment. I selected your name at random from a list of all staff and would like to ask you some questions about the facility's policies and practices. I am interviewing at least [NUMBER] other staff at this facility. Your participation is voluntary, and you may choose not to answer any or all of the questions.

“As a matter of professional conduct, I will do my very best to protect the confidentiality of the information that you provide to me. Under no circumstances can I be required to turn over my interview notes to the facility if they ask me for them. As I conduct my interviews, I will not be discussing what you tell me with any facility staff. However, you should be aware that if the U.S. Department of Justice wants to examine any of the information that I collect during this audit, I must provide it to them if they ask.

“You should also know that for the final report that I will give to the facility at the end of this audit, I am prohibited from including any personally identifying information of yours in it. The only way that my report could include personally identifying information is if I make a mistake and include it, and I can assure you that I will not make such a mistake. If my final report ends up including personally identifying information by mistake, I have to provide it to the agency if they ask.

“If you experience any negative consequences for talking with me, such as retaliation or threatened

retaliation, please do not hesitate to contact me. I can be reached at **[THIS SHOULD BE THE SAME CONTACT INFORMATION PROVIDED IN ADVANCE OF THE AUDIT VISIT THAT SOLICITS INMATE COMMENTS]**.
