

*They may try to tell you  
that it didn't happen...  
that you're making  
something out of nothing...  
or that you caused it...  
that it was all your fault.*

No matter how they deny it or make you feel guilty, you know what happened to you. And no amount of minimizing or blaming you can change that. Talk to staff, and help us stop anyone who sexually violates you or others!

**No Body Deserves To Be A Victim Of Sexual Violence!**
