

PINAL COUNTY, AZ:

Yes Pinal County has a policy on pornographic magazines within the facility: Policy states:

Pornography, as defined in 2.14.1.1 below, will not be allowed in the Detention Facilities

Definition provided in policy:

Pornography:

For purpose of this manual, Pornographic photographs, or any literature or magazine containing the same, which impacts the security and safety of the facility, will include photographs showing bare female breast, genitalia of either sex, or graphic sexual acts. Pornographic magazines which have the potential to threaten the security and safety of the facility will include those magazines that portray graphic sexual activity. Pornographic magazines and literature shall be considered to fall within the more general definitions of pornography.
